

Costs Explained

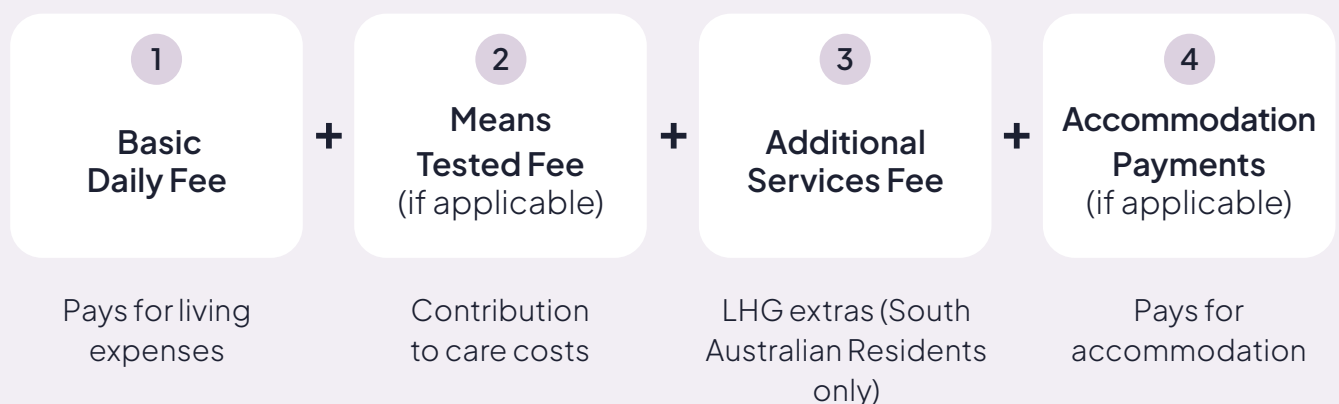

The costs of Residential Care are determined by Services Australia (Centrelink) and vary according to a resident's income and assets, level of care, date of entry and whether or not the resident is a pensioner.

The rates are reviewed regularly by Services Australia. Under the Aged Care Act 1997, all residents who enter Residential Care are required to have a financial assessment. This financial assessment is to determine the fees and charges applicable to each resident.

The information provided below is to assist you with the various fees and charges associated with Residential Care. More accurate information will be provided to you at the time you are offered accommodation based on the financial assessment provided.

Costs include:

1. Basic Daily Fee

All residents pay the Basic Daily Fee of \$63.82 per day (effective from 20/03/2025), which is 85% of the single age pension.

2. Means Tested Care Fee

This fee is means tested based on assessable income and assets. An annual cap of \$34,311.23 and lifetime cap of \$82,347.13 applies. The Means Tested Care Fee can range from as low as zero to as high as the sum of the basic subsidy amount and all primary supplements. A care recipient's assessable income is determined using the same rules as used by Centrelink for pension purposes. The family home will continue to be exempt from any means testing where there is a protected person (a spouse or dependent adult child) residing in the home. Even when it is counted as an assessable asset (meaning it is not occupied by a protected person), only the first \$206,663.20 is taken into account. For further specific information on the Means Tested Care Fee, please contact the My Aged Care phone line on 1800 200 422 or visit the My Aged Care website.

3. Additional Services Fee (LHG Extras)

To enhance residents' stay with us at Lutheran Homes Group, we offer a range of additional services known as LHG Extras. These services are currently available only to residents in **South Australia** and are provided as a package. Individual services are not offered separately.

From 1st July 2021, all new Non-Supported Residents are charged the LHG Extras Fee of \$8/day. Partly Supported Residents are charged a rate of \$4/day and Fully Supported Residents are charged Nil. Lutheran Homes Group covers the shortfall in Fees associated with Partly Supported and Fully Supported Residents.

4. Accommodation Payments

Accommodation payments are payable from the day of admission. The amount an individual is required to pay is based on Centrelink's assessment of the Means-Tested Amount, which is calculated using a resident's assessable income and assets. An accommodation payment is payable where a resident's Means-Tested Amount is greater than zero. Residents then have the option of paying the accommodation payment by various modes.

5. Interest Rates

Interest rates charged are set by Services Australia. The current maximum permissible interest rate from 1st July 2025 to 30th September 2025 is 7.78%. These rates are subject to change.
